03-632 Set of Threaded Filler Neck 1½" (36.4 mm) and support flange

Paired set of G1,5 filler neck and support flange. Ideal to obtain an even stronger weld and improve robustness in situations where the container is under constant flex.

Nominal measurements in mm

Paired set of G1,5 filler neck and support flange. Ideal to obtain an even stronger weld and improve robustness in situations where the container is under constant flex.

The filler and support flange are mounted on each side of the foil and high frequency welded together. The resulting join is very robust under demanding conditions.

Can be delivered in a FDA/BGA approved material.

Materials: PVC+PVC
Std. packaging: 1 x 90
Fits with: 03-976
Related products: 03-634, 03-633
